BOROSIL®

Living

Ideal for creating a calm, meditative atmosphere in your puja room, Borosil's Akhand Diyas are a great choice for gifting or personal use. Made of Borosil's unique borosilicate glass composition, the Akhand Diya has a brighter illumination. It will not crack, and doesn't even get hot no matter how long the diya burns. It is designed to allow easy cleaning and refilling of oil, and has an economical cost of burning per hour. Best of all, it can be used even when the fan is on, so now you don't have to choose between having a diya and being comfortable!
