GLASS JARS

There is no jar like a Borosil jar. Our jars ensure that not even the slightest moisture enters, so you never have to bite into another stale wafer or biscuit again. Freezer and flame proof, vision jars are perfect for freezing sauces and purees too — just hold them over a flame for quick thawing and their bright stackable lids brighten up your day! And of course, you can use them like any other jar to store all your pulses and grains - it ensures your food stays healthy, fresh and safe.

STORE

Store dry fruits, wafers and crispy snacks that get soggy in humid conditions in these jars, as they keep all traces of moisture out

FREEZE

Freeze sauces and purées in these freezer-proof jars and hold them directly over the flame (yes, they are flame-proof too!) to quickly thaw the contents

HEAT

These 100% borosilicate jars can be put straight into the microwave or oven to warm up those dry fruits or wafers
